Howdy, Future Frosh!

Every spring it is the custom of most colleges to set aside a day for the graduating high school seniors to view their campuses. This Friday is the day that Sweezy has opened its doors to you prospective freshman. We hope that you consider Central with an open mind and then take it to your heart as we have.

As editor of the Crier I will tell you some of the things you will discover for yourself if you come here next year.

It is difficult for anyone to tell about Central in an unbiased manner. After going to school here you too will see why this is true and why we are proud of our school.

Everyone goes to college for a different reason. But we hope to

fulfill most of your desires. Many of you are anticipating college very seriously and others are looking forward to the good times in store for you. Some of you may have the same slogan Robert Benchley had when he planned his college career. He said in "What College Did to Me," "My college education was no haphazard affair. My courses were all selected with a definite aim in view, with a serious purpose in mind—no classes before eleven in the morning or after two-thirty in the afternoon, and nothing on Saturday at all. That was my slogan. On that rock was my education built." It is believed that your slogan concerning college will differ from Mr. Benchley's but it illustrates the

lighter side of college.

Our school offers a B.A. in education and arts and sciences, an M.A. in education and many pre-professional courses. A recent legislation enables Central to train high school teachers also.

On page two is a list showing the estimated cost of one year of schooling at Central, the University and at a private school. From these figures you may see how Sweezy compares with other schools in cost.

One outstanding feature of our school is its active student government. This organization is representative of the entire student body and governs in a democratic method.

In athletics, the student government sponsors a varsity squad

in five major sports: football, basketball, track, baseball and tennis. Central competes in the Evergreen League, which is made up of small colleges throughout the state.

Extra-curricular activities include the band and choir for music students, the Campus Crier and Hyakem for journalists and photographers. Many clubs are organized to promote interest in the major fields of study.

Our social calendar is arranged and directed by the vice president of the S.G.A. The traditional affairs are Homecoming, the Colonial Ball, Cupid's Informal, the May Prom, Sweezy Day and Mothers' Day. Many dances are held throughout the year,

with a mixer every Wednesday evening.

Sweezy is well-known for its friendliness. We do not have fraternities or sororities. The only organized units are the living groups. The sidewalk in front of the Administration Building is known as the "Hello Walk" for it is customary to greet everyone you pass there.

I hope that this editorial has given you a little clearer picture of life on the campus. But you will find a clearer picture through actual observation.

After your day's visit, we hope that you will have enjoyed yourself and will plan to enter Sweezy next fall. Central is a wonderful place to build YOUR educational foundation. —Dick Norman.

Alpha Phi Omega To Be Formally Installed May 15

Alpha Phi Omega, Central's newly organized national service fraternity, will be officially installed in a formal ceremony Sunday, May 15 by the University of Washington chapter. A banquet will precede the installation.

Working since early last fall, the students who organized the group have finally enrolled 26 members and have completed all of the requirements necessary for the installation.

The group's charter must be approved by a unanimous vote of the already existing chapters throughout the entire nation. Only three other brother organizations exist in this State: University of Washington, Washington State College and Eastern Washington College.

Before becoming a full-fledged member, each pledge must serve a term of apprenticeship during which time he is familiarized with the organization. He must also participate actively in some scheduled service project to the college or community. When all his requirements are fulfilled he is installed as a regular member.

The fraternity has already made itself known to some people around the campus by pre-installation service projects. It has actively organized a "big-brother" outfit to the school boy patrol of the College Elementary school and is conducting several tours through the dormitories for Senior Day tomorrow. Various other similar projects are already planned for next year, reports Gib Andress, president of the group.

Lafayette College in Easton, Pennsylvania initiated the original Alpha Phi Omega chapter on its campus on December 16, 1925. Since then more than 135 chapters have been installed in nearly every state in the country.

The purpose of the fraternity, which is open to all present and former Boy Scouts, is to assemble college men in the fellowship of the Scout Oath and Law, to develop friendship and to promote service to humanity.

Registered charter members of the fraternity are Howard Anderson, Gilbert Andress, Paul Bickel, Jim Billington, Al Busby, Gene Busby, Al Carlson, Don Carr, Howard Coble, Ken Cockran, Bill Cross, Marlin Dennis, Ed Earing, Glenn Edmison, John Eyres, John Fleming, Dwayne Hall, Ken Johnson, Del Kennedy, Ken Knowlton, John Lund, Harold Miller, Bernard Norton, John Poage, Bob Skorniak and Bob Winters.

WALNUT DORMS PLAN FRIDAY 13TH DANCE

Walnut street will "come back on to the campus" Friday, May 13 with a dance held in the New Gym and sponsored by the halls of the upper Walnut Street area.

A five dorm committee was put in charge of the event. With Pat Lane of Kennedy, chairman, the committee members include: Chuck Lucas and Jim Stidham, Alford; Jim Wilcox and Pat Romines, Munro; Jim Scott, Carmody; Harold Miller, Montgomery; Laura Alm and Joyce Leyden Kennedy.

The theme of the dance will be carried out in the superstitious significance attached to the whole day of the 13th day of the month when it falls on a Friday. Although specific details as yet unreleased for publication the result of decorations, a door prize, refreshments and a good imagination should be worth seeing.

Music for the occasion will be furnished by a very new combination. Organized by Don Hartzell, this group made its campus debut at the Jaber sponsored pre-election mixer.

Guests on the campus for the day, the high school seniors, will also be present to see how a college dance takes place—and it is hoped they will also see how to take part.

Admission will be 35c per person and 50c a couple. —Dancing will be from 8:30 till 11:30.

Hyakem Editor Applications

All applications for next year's Hyakem editor must be in by May 17, 1949. These letters of qualifications must be submitted to Glenn Hogue, annual advisor.

There are no restrictions for the position. All applicants are judged on past experience and ability.

After the applications have been submitted they will be passed upon by Mr. Hogue and the SGA council.

H. S. Seniors Converge On Campus Tomorrow

Three hundred prospective Centralites from senior high schools all over the State will converge on the campus tomorrow to participate in the annual Senior Day festivities, Pat Donahue, general chairman, has reported.

An all day program has been planned for the high school seniors with everything from films, plays and tours to dancing and open house in the dormitories.

The original idea for the Senior Day was to set aside one day a year for seniors to visit the College and find out for themselves what

Central has to offer them and to be familiar with the Campus and the policies of the Student Government Association, the sponsoring body.

Friday's program will get under way at 10 a. m. in the College auditorium on last year's Sweezy Day with a film on last year's Sweezy Day festivities, a one-act play, invitational addresses, musical entertainment and instructions for the remainder of the day.

At eleven o'clock the Intercollegiate Knights will conduct a tour of the entire campus, pointing out points of interest and especially the new science building and Kennedy Hall, new girl's dormitory.

After lunch has been served, the IK's will continue on their tours about the grounds so that the high school students will become quite familiar with the lay of the land.

An informal reception is scheduled for mid-afternoon from 2 to 4 p. m. This will give the seniors a chance to meet the College faculty, the members of the SGA and the honor council.

Alpha Phi Omega will take over at 3:30 p. m. and conduct the visitors through each of the dormitories on the campus and show them what facilities are available for students living on the campus. Open house is planned by all of the living groups on the campus.

Dinner will be served the guests at 6 p. m. and then at 8:30 they will be invited to attend the all-College dance to be held in the New Gymnasium.

Registration of the seniors will be under the direction of President Avis Face and the Spur organization Friday morning.

Committee chairman that have been appointed by Donahue are: Pat Lane, invitations; Marilyn Dreher, assembly; Dale Troxel, movie; Don Dowie, master of ceremonies for the assembly; Kay Kimmell and Lourdes Martinez, reception.

GRADUATION APPLICATION

Students planning to graduate at the end of summer quarter are requested to pick up application blanks at the Registrar's office immediately. They are to be completed and returned as soon as possible.

Is Central Destined To Have A Radio Program?

WHAT has happened to the Radio Club? Has it been jinxed again this year? For the last two years Central Washington students have attempted to put on the air an all-College radio show. But they have failed.

Last year Dean Vance resigned as editor of the Crier to head the proposed radio show. The idea was met with great enthusiasm and many people with lots of talent offered services. KXLE offered a half-hour of air time a week. It looked like we really had the makings of a good thing.

The script was written and the Crier was playing up the program to the fullest extent. Then suddenly no more was heard of the radio program. A week or so later a very short article in the Crier said that due to circumstances beyond control there would be no radio show. That finished the program for that year.

This year with the help of KXLE and the backing of the SGA a radio club was started. At the first meeting of the Radio Club 30 students attended. Joe Kendall, manager of station KXLE, offered the school all the air time they wanted. It looked like the dreamed of show would become a reality; that was in December. Since then little has been heard of the Radio Club.

The organization did accomplish quite a bit while it was in operation. It elected officers and started work on a constitution. Warren Trepp was elected president. Little has been heard of either Trepp of the Radio Club. He is a freshman and does not know all of the ropes but he should realize that the burden of success or failure of any group depends upon the vigilance of the president.

Maybe it isn't upon Trepp's shoulders that the blame lies, but elsewhere. But one fact is quite evident, and that is the Radio Club, if there still is such an organization, is possibly the most dormant club on the campus.

It may be that the very enthusiastic SGA has lost interest in Central having a radio show. They are all important in determining the success or failure of any club—they control the purse strings. Although the SGA council may not be the bottleneck in the promotion of this venture it is surprising what a frigid attitude they have concerning it.

It should be noted here what merits such a program would have for the school. It would give those students interested in producing a radio program the opportunity to do so; it would supplement the lack of radio classes we have in the curriculum; those with a desire to write radio script would be able to get good experience and above all it would be good publicity for the school.

"Seward's Folly" has nothing over the radio club in being a laughed at and jinxed product. How such a worthwhile venture can be kicked around like a football is amazing. Who or what has thrown the monkey wrench into this is not evident but unless more enthusiasm is shown we will have to speak of the radio club in the past tense.

If anyone has comments, objections or helpful criticism concerning the Radio Club and its possibility for a rebirth please see me. Or if this hit you I will be more than happy to print a letter to the editor with your views concerning this subject.

What It Cost To Go To Central

From all sources available it is more expensive to go to a private college than the University of Washington or one of the three colleges of education.

Costs here at Central Washington are estimated at \$451.25 which includes fees of miscellaneous nature, SGA fees, board and room and book costs.

Records show it costs approximately \$925.00 per year to attend Reed college in Oregon, with a tuition charge of \$450 a year included in this total.

For those contemplating on transferring to the University of Washington prepare to pay a \$25 per quarter tuition fee, room rent as high as \$260.00 per year and board running as high as \$490.00 per year, totaling over \$875.00 per year.

Advantages of attending Central are primarily these: no tuition is charged, no high room and board costs primarily because of no Greek letter houses, and all official residences are college operated at cost basis. Costs at the other colleges are higher if majoring in some specific fields such as medicine or dentistry or law. All available data pointed out that a person can attend Central Washington College at less cost than any of the other colleges named.

Dear Editor:

I would like to make a few suggestions about the Wednesday night mixers. Why not try a circle two-step, so that everyone would have to dance? Or why not have a couple of ladies' choices each night?

Aren't these mixers supposed to be mixers. Well, I would like to see a little bit of mixing instead of two stag lines staring at each other.

No Freshman Picnic

THERE will be no freshman picnic this year! Cancellation of the affair which was originally slated for Saturday, May 14 was decided upon by the officers and Mr. Hobson, class advisor last week, president John Eyres has revealed.

Lack of interest among the class members, a state of financial unstableness and uncooperation of parties who were directly connected with preparing for the outing prompted the action.

Randall Elected Prexy Of Art Asso.

Reino Randall, associate professor of art, was elected president of the Washington Art Association at their spring convention in Yakima last month. Miss Josephine Burley, assistant professor of art, was elected vice president.

Representatives from art departments at Washington State College, University of Washington, Western, Eastern and Central Colleges of Education attended the convention with professional artists and supervisors of art. The Washington Art Association is an organization for professional artists, teachers of art and persons interested in art.

Mr. Randall served as chairman of the education committee at the meeting. Miss Burley was chairman of a panel discussion on "Teaching of Sensitivity of Design to Teenagers."

Other officers elected were: Marie Dunstan, Ellensburg High school, as secretary, and Eric DeSoer, Ellensburg business man, as treasurer. Neil Koch, instructor in art at CWCE, was appointed in charge of the WAA bulletin, and Melvin Kohler, curator for the Henry Art Gallery, Seattle, was appointed exhibit chairman.

Pep Club Elects New Officers for Next Year

At a recent meeting on May 4, at 5 p. m. in the Classroom Building, the Pep Club elected new officers for next year.

After the election had been balloted and counted the new officers were announced as: president, Carol Rueter; vice-president, Mary Peterson; secretary, Margaret Oebser; treasurer, Donna Hoffman; historian, Dot Davis.

President for the past year, Dot Saftred, presented Rueter with the Pep Club constitution, with the suggestion that it be revised to meet the present conditions of the club.

'Chinese Garden' Theme of Kamola Spring Formal

Kamola's private formal, 'In a Chinese Garden,' will take place Saturday night, May 14, in the new gym. The entire program will carry out the Chinese theme.

Decorations will be arranged to provide an irregularly shaped dance floor. Pastel colored trees, with matching blossoms, will be placed in various positions of the floor. On the one end of the floor will stand a large Buddha, with flare torches on each side. Also to add to the theme, there will be an artificial pond surrounded by rocks and flowers. Over this an arched bridge will be erected.

To add to the Chinese garden ef-

fessional football and basketball in 1947.

He was named to "Who's Who Among Students in Colleges and Universities" while on the CWCE campus. He was president of the Crimson "W" club, received the Rotary inspirational award and was named honorary captain of the football team in 1946. PRINCIPAL SPEAKER FOR COMMENCEMENT TO BE WILLIAMS, SEATTLEITE

W. Walter Williams, prominent Seattle business man, will be the principal speaker for commencement exercises this year at Central Washington College of Education to be held Sunday afternoon, June 5, Pres. Robert E. McConnell announced today.

For the first time the college is combining baccalaureate and commencement in one Sunday afternoon program. The purpose is to make it more convenient for parents of graduating seniors to attend both events. Previously, commencement had been held the Tuesday after the Sunday baccalaureate service.

Williams, the main speaker for commencement, is president of Continental, Inc., a Seattle loan company. A man of wide civic interests, he has held public office including president of the Seattle Chamber of Commerce, president of Rotary, and chairman of the Seattle war and community chest.

He was awarded the Seattle First Citizenship plaque in 1945. During the war he was chairman of the Washington State Defense Council and for the last two years has been chairman of the Washington State Foundation for Infantile Paralysis.

fect, a silver moon will hang from a black ceiling, and also providing atmosphere will be hanging Chinese lanterns.

Refreshments will be in keeping with the theme, for punch and Chinese fortune cakes have been planned during intermission.

Intermission entertainment will be presented by three freshman girls, Jean Goodrich, Paula Lee and Beverly Lanier, who will do a Chinese dance.

Kamola girls have been working hard for the past few weeks preparing for the dance. They feel that this will provide an effect totally different from the usual theme for a formal dance.

Decorations are under the general chairmanship of Mary Lou Stuart. Other girls active in the arrangements are Madie Sepa, Jean Chinn, Edee Sandberg, Jean Goodrich, Marilyn Dreher, Georgie Eckroat, Barbara Holliday, Clara Ray, Kathy Mackenroth, Helen Dallas and Laura Berry.

Programs will go on sale at \$1.50 early next week.

Young Democrats Hold Convention; Discuss Election

Supporting the tradition in democratic party circles, that CWC is a politically active school, four student body members participated in the Washington State Convention of Young Democrats held in Spokane, May 6 and 7.

Maybelle Keating and Mary Elizabeth Hayes, Central students and representatives of the Kittitas County club, served on the Rules and Order committee and Constitutional Revision committee, respectively. The CWC Young Democrats Club was represented by Dale Knutson serving on Constitutional Revisions and "Doc" Meek on Resolutions. These two committees being the most important and the "hottest" at the convention our delegates were able to represent school interests well.

Club Opposes State

"Of special interest to us," Meek proclaimed, "is the fact that the Young Democrats have gone on record condemning the State administration's attitude on the question of appropriations for schools and institutions of higher learning, as evidenced in the 1949 legislature, and advocating immediate action on these very essential appropriations."

Highlighting the convention was the election of officers which took place late Saturday afternoon. Nat Washington, young Ephrata attorney, and state representative from the fourth district was unanimously elected to the state presidency of the young democratic organization.

Knutson Trustee

In the eyes of the CWC delegates the convention was further highlighted by the election of Dale Knutson to the board of trustees for the year 1949-50.

Washington is tentatively scheduled to speak at the joint meeting of the CWC and Kittitas County young Democrats to be held in the Vista House Monday evening May 16.

....MUSIC NOTES....

The touring is over and everybody is happy, and tired. Yes, from the standpoint of general performances, the band and choir both were very successful on their two tours.

These trips are very beneficial to the college and to the students participating, in our opinion. They are very good publicity for the school and provide the members of the organizations with a seldom equaled experience of playing, singing, and traveling. They stay in homes of people they've never seen before, play before many audiences of different reactions and learn to get along with each other in their endeavor to have a good time.

Contrary to the fact that in most cases, a band would get continually worse during a long tour of this sort, this CWC band improved with every concert on the trip. After the first few wonderful responses to the programs the band members were inspired to do even better and the result was a continuous improvement in both the concert and the CWCEans. We are proud to be a member of the organization on that tour and also to have the privilege of working under and with Bert Christianson, director, who captivated audiences all the way and left the desired impression everywhere. How any one individual could work as hard as Mr. Christianson on this tour and still remain good-natured and so much just "one of the kids," is beyond us. Anyway, we admire his traits and feel the school is very fortunate to have him here at Central Washington.

Several band members were right at home for some of the concerts. Among there were Harry Cameron at Cleveland high in Seattle, Harold Jeans at Bremerton high, Bob Perry, Clinton Rigg, and Bob Winters at Centralia, Waldo (Papa) King at Chehalis, Mary Lou Shaver at Sumner, George Moergeli at Enumclaw, and Vern Harkness and Don Castagna, (from nearby Roslyn) at Cle Elum.

We had to laugh at Mary Lou Shaver in Sumner. She says she has been telling everyone for months what a nice town Sumner is and no one believed her. Well, all you need to do is ask anyone of the band people if they had a good time in Sumner, and you'll find out very emphatically what a "nice town" it is. Of course, we suppose we're prejudiced since so many of us were so fortunate to have been treated like kings and queens by the wonderful people there who housed us and also had big Buicks, Oldsmobiles, Cadillacs, Chevs, (cute girls), and what-not at our fingertips to say nothing of beautiful homes (like castles) with fabulous furnishings, and even maids. Best of all though, was the wonderful hospitality of all the Sumner townspeople. They couldn't have been nicer. Would you call this a nice town? Here's one person that will agree with Mary Lou, anyway.

The hospitality in Bremerton and Centralia also was wonderful. It is a pleasure to stay with people like that. Well, we could go on like this for hours but it's time to stop. There are some humorous incidents and oddities that we'd hate to have you miss out on, though, so be looking for us next issue, will you, and we'll expose the poor characters. Goodbye friends.

Gerrin, Breshears Wed Amid Orchids

More than 200 orchids sent by air from friends in Hawaii provided the unusual floral appointments for the rites of Miss Joy Breshears and Allan Gerrin, which were solemnized at 7 p. m. Saturday, April 16 at the First Presbyterian Church in Omak.

Four hundred guests witnessed the impressive candlelight service. Many college friends of the bride attended the wedding, including Joyce Bonathan, Winifred Williams, Phyllis Dunlap, Beverly Schumann, Mabel Hansen, Betty Byars, Wesley Peach and Gerhard Deickmann.

So round, so firm, so fully packed — so free and easy on the draw

By BOB SLINGLAND

Up in the University of Montana region the whole town of Missoula is talking about one Dan Doyle, "Discus" Dan Doyle to be exact. Fans at the recent Eastern Washington vs. Montana U game were astounded when the PA system rather incredulously gave out the information that "Discus Dan" had won the discus event with a tremendous heave of 160 feet 8 3/4 inches. The old WINCO conference record for the discus was set in 1932 by John Hall of Central—distance 138 feet 3 inches. Nice toss by Doyle, eh what?

At that same meet, EWC vs. MU, a boy by the name of Stephens of EWC wound up with the javelin and hurled it 184 feet 5 1/2 inches to cop a first in that event. The old WINCO record for that event is a trifle over 186 feet.

QUOTE-UNQUOTE: WW Collegian—(Talking of the coming track meet with Central)—"In the discus and javelin, big Jeff Russell will not have too much competition and can be counted on to bring two firsts into the Western fold without too much trouble." Unquote. Like they say, one can sure get overconfident. Bill Jurgens, got his best toss of the season in the platter event and beat Russell easily, while the big boy from Western managed his first in the spear event with a toss a few feet longer than Beardsley's.

Attention Arne Faust! After Munson's 8-4 win over Alford Hall, due to the power hitting and brilliant fielding of one "Uncle" Dale Troxel, numerous scouts from the Yankees and Giants have been hailing him as 1949's newest Joe "Flash" Gordon.

Congrats are extended to the Big-W Club for their recent fine smoker. It was indeed one of the finest fight cards the club thus far presented. All the fighters put out their best for the fans, mostly blood-thirsty, that came to the event. It is this reporter's belief that BOTH the club and the fighters should be praised and that more students be reminded that these events flourish on their attendance.

Les Patten, junior net ace for the Whitworth Pirates, will be on hand this afternoon when the Whits and Cats tangle on the local courts in a set of Evergreen tilts. Patten has a win record of three years and twenty consecutive collegiate victories during those three years. Patten hasn't been beaten in collegiate play since 1947 and will no doubt be the local net aces big worry this afternoon.

Central Captures Olympia Meet Retains Crown; Cracks Records

Climaxing one of the greatest sporting activity weekends in CWC history, the Wildcat track and field squad successfully defended their Olympia team title to win the third annual St. Martins Relays at Stevens field last Saturday.

Coach Monte Reynold's thinclads brought back two of the five trophies that are awarded yearly, the team championship trophy and the sprint medley trophy where they set a new record of 44:8.

Central piled up 45 1/2 points to win the team title while CPS followed with 31 1/2, PLC with 27 1/2, UBC with 18, St. Martin's with 16, Northwest Nazarene 15 1/2, Seattle Pacific 8, Seattle U. 2, and Reed College 1.

Beardsley High Man

High point man for the meet was Central's Eric Beardsley with 11 points. Beardsley and Porter set a new pole vault record when they soared 11' 11 1/4" to tie for first place honors. Beardsley also took two seconds in the javelin and broad

jump and a fourth in the shot. Previous to last week Beardsley hadn't turned out for the broad jump all season, but copped second at Olympia with a 20' 11 1/4" leap. Jurgens and Storie each copped eight points to help boost the Cat total.

Another meet record was shattered by a Central entrane when the flashing spikes of Bill Storie sped him to the tape in 50.4 besting the old 1948 record set by Schafer, of PLC in 51.8. Storie lost in his other specialty, the 220, when Light of CPS really poured on the coal to crack the tape in 25.3 for another meet record.

Jurgens Wins Discus

Bill Jurgens got one of his finest throws of the year in the platter event when he sent the plate 131' 1 1/4", just 1 1/2 inches short of the meet record. Jurgens also garnered a second in the shot, one of the outstanding events of the day, with a fine toss of 44' 6". Pavelich of UBC cracked the old meet record with a tremendous heave of 45' 6 3/8" Dave Duclaw upset the dope in the discus event when he out-heaved Nelson of CPS for a third.

In the mile run, Towne of Central ran a fine race but was nipped in the final sprint by Jamieson of Northwest Nazarene. Don Smith picked up a third in the same event with a tremendous final kick after running fifth most of the race.

Lynch Takes Second

Dich Lynch, picked his way through a field of expected winners to cop a second in the high hurdles in what was believed a dead heat. In the high jump Central's Willard Schooler cleared 6 feet to haul down third place honors while Richardson tied for fourth with a PLC man.

The sprint team of Beardsley, Dorr, Meuli, and Box outdistanced all competitors to cop the event and the large trophy.

SUMMARY:

POLE VAULT—Beardsley and Porter (both CWC) tied for first at 11 feet 11 1/4 inches, Farrand (NNC) and Giskey (CPS) tied for third. **SHOT PUT**—Won by Pavelich UBC, 45 feet 6 3/8 inches; second, Jurgens (CWC); third, Brass (PLC); fourth, Beardsley (CWC).

Netmen Rack Up Third Straight Win; Down PLC 5-2, Drop St. Martin's 7-0

Central's unbeaten tennis squad notched Conference victories number two and three last week when they swept past PLC 5-2 and swamped St. Martins 7-0, in a clean sweep of their coast jaunt.

On Friday the Cat netman faced PLC's strong Gladiator squad and came away with a 5-2 victory. Don Duncan started the day right by whipping Len Gabrielson, PLC's No. 1 man, 6-4, 0-6, 6-4 in a fine performance.

Central's No. 2 man LeRoy Isherwood, had to go three sets before defeating Ray Larsen (PLC), 6-8, 6-3, 6-2. Little Al Adams was extended to three sets before defeating Vic Haglund (PLC), 6-2, 4-6, 6-4. Central lost only one singles match, but not before three tight sets had been played. Dick Wehrli lost out to Bob Larsen (PLC) 4-6, 6-3, 8-6. In the final singles event, Jim Bickford swept both sets from Dean Saffron (PLC), 6-1, 6-2.

Doubles play saw the Cats split, winning one and losing another. Duncan and Isherwood won over R. Larsen and Del Shafer (PLC), 6-1, 6-1; and Raglund and B. Larsen (PLC), whipped Adams and Wehrli 6-3, 6-4.

On Saturday Coach Nicholson's charges motored to Olympia where they repeated a previous 7-0 spanking of the Martians.

Scores in the St. Martins match were:

Singles—Don Duncan (C) defeated Bob Hemphill (SM) 6-1, 6-0; Leroy Isherwood (C) defeated Earl Baer (SM) 6-3, 6-0; Al Adams (C) defeated Bob Bowker (SM) 6-4, 6-4; Dick Wehrli (C) defeated Ben Mannion (SM) 6-1, 6-4; Jim Bickford (C) defeated Joe Hartough (SM) 6-1, 6-0.

Doubles—Duncan and Isherwood (C) defeated Baer and Mannion (SM) 6-2, 6-1; Adams and Wehrli (C) defeated Bowker and Hemphill (SM) 6-4, 6-3.

Cat Nine Travels East For Crucial Spokane Series

Still smarting after a 16-10 defeat at the hands of the Whitworth Pirates two weeks ago the local bat weilders leave tomorrow for Spokane and a one day stand against Jerry Stannard's Buccaneers at the Bus field Saturday.

Currently leading the pack in the eastern division, the Cats have suffered defeat at the hands of hte Whits, for their only league loss.

Wily Stannard will probably shoot his ace right hander "Smiley" Bill McCord who beat the Cats in the 16-10 marathon. In the second contest Sam Bass, the Spokaneites left hander or Joe Gilliom, may get the call although the locals rapped Bass all over the lot when they won the night contest here.

Wildcats outfielders will have to be on their toes throughout both contests as the Whits hit well and sometimes for plenty of distance having smashed out five home runs, a triple, and a half dozen or so doubles.

Stannard has a fine hitting infield and outfield including veteran Nick Faber at first, Don Cameron at second, Taylor at short, and stocky Ed Kretz at third. Faber, Taylor, and Kretz hit exceptionally well against the Cats hurling last week. Cruzen, Roffler, and Tague make up the outfield with sometimes Adams in the outer pastures. All four are no mean stickers and can rap for the fences.

If Billy Lee's ailing arm responds to treatment, the little right hander will no doubt get the call in one of two games. Lee will be out for revenge having had to leave the same Whit-Cat tangle in the earlier series with a bad arm. Don Lannoye who carved out a fine six hit performance in the night cap to whip the Bucs, 12-7, will be set for the other contest.

SPEEDY FISTICUFFS FEATURE W-CLUB'S ANNUAL SMOKER

W-Club's annual smoker came to a successful conclusion with the crowd on their feet as Niel Weeks scored a T. K. O. over John Paine in the final bout of last Thursday's program. Five of the six preceding events were decisions while the sixth ended in a draw.

Although Weeks scored a T. K. O., it was a thrilling fight all the way. The deciding blows were landed in the third and last round of the event. Paine had Weeks in trouble in the first round, but Weeks came back with his deciding blow in the third round.

In the first bout of the evening, Vance Hall, a 128 pound junior from Ellensburg, fought George Långor, a 120 pound senior, also from Ellensburg. The two men battled their way to a draw.

Art Scott, a 145 pound man from Roslyn, punched his way to a decision over Hal Poole, a 150 pound slugger from Seattle, in the second event.

In a very close decision, Dick Muzzal, a 150 pound sophomore from Ellensburg, defeated Bill Hiblar, a 150 pound sophomore from Tacoma. Hiblar drew blood from Muzzal's nose in the second round, but Muzzal threw more punches that gave him points.

The fourth event was a wrestling match. In this event, Milt Kvolt pinned Cliff Tilly in the first round of the scheduled three rounder.

In another slugfest, Bill Stefons, a 175 pound sophomore from Chahalis, decisioned hard fighting Sam Beattie, a 170 pound freshman from Auburn. Both boys swung and punched hard all through the three rounds.

Two tall men took to the ring in the sixth event as George Shandera, a freshman from Hoquiam, decisioned Jim Wilcox, a 185 pound sophomore from Yakima.

In the seventh event Al Carlson,

Netmen Face Whits Today; Tackle Eastern Friday

Winner of four straight meets Coach Leo Nicholson's Cat net men open against the defending champion Whitworth Pirates this afternoon in the locals fourth loop start.

The Wildcat netsters are currently atop the heap with a clean slate of three won and none lost.

Patten Leads Whits.
Whitworth's racquet swingers have absorbed defeats by the WSO and Montana tennis squads, but came back strongly to whip Whitman. Led by Conference singles champ, Les Patten, Whitworth brings a hard swinging bunch to the local courts this afternoon. Don Duncan will probably tie up with Patten in the feature singles match of the day.

Eastern Tomorrow.
The Eastern Washington Savages roll into town tomorrow to meet the locals in their second meet in two days. Data on the Savages is meager, but it is a safe bet that the eastern neighbors will field a strong net crew to face the Wildcats.

Victories both today and tomorrow would give the Cats undisputed possession of first place in the conference schedule and a fine chance at the title at the Conference meet May 27-28 at Spokane.

THINCLADS HAVE FINALE SATURDAY; FACE WHITS-ZAGS

Track fans will get their second and final look-see at Monte Reynold's high riding thinclads Saturday when the locals entertain Whitworth and Gonzaga in a triangular meet on the Tomlinson oval.

Currently setting the cinder paths afire with two victories and one defeat the Cats are highly favored to sweep their second home meet.

A quick look at Central's two opponents finds the Whits the stronger of the two and the most apt to give the Cats trouble.

The Whits have a fine 440 man in Gordon Petriquin who ran a 51.1 in this event against Eastern several weeks ago.

Sam Adams is also a consistent point getter in the high jump and hurdles events. Possible other Whit duellists are Bob Scott in the platter event and Orin Stretton in the pole vault.

Data on the Zags is meager, the Zags garnering only 8 5/6 points in a tri-meet with Eastern and Whitworth.

Skinner in the shot and Boisen in the pole vault were the Zags only strong point getters.

Eastern Bows Twice 6-2, 9-5; Cats Lead

Resting firmly atop the heap in the eastern division of the Evergreen Conference baseball league, the Central Washington nine returned to the campus Sunday with a clean series sweep over last year's division winner, the Eastern Washington Savages, 6-2 and 9-5, in games played at Graves Field last Friday and Saturday.

Although the Savages outthit the Cats in both contests the local's infield play was brilliant and kept the Easterners from crossing the plate on numerous occasions.

Lannoye Gets No. 2
Don Lannoye notched his second league victory Friday afternoon in the opener when he scattered 12 hits effectively to win 6-2. Two double plays on the part of the alert Cat infield helped also. Eastern left 11 men stranded on base.

Eastern didn't get a run off the big righthander until the fourth canto when four hits were good for one run. Lannoye gave up the only other Eastern score in the fifth frame when three more hits were good for one more run.

Meanwhile the Cats were punching away at Stine, Eastern's diminutive lefthander, for three runs in the second on Nicholson's triple, McCullough's double and three singles.

Central made it 4-0 in the third on a single and an error and picked up their final two runs in the fourth on two walks and two singles.

Clemans Gets Double Play
In the last of the ninth the Cat third baseman, Clemans, turned in a double play unassisted when he caught Tyrill's line drive and touched the sack to nip Stine.

Lannoye struck out eight batters and walked two while Stine struck out 12 and walked three.

Nicholson led the Cats with two for four and McDermott had three for four for the Savages in the hitting department.

Wilson Wins Final
Warren Wilson started the second contest for the Cats and got into hot water right away when he gave

up four hits and a walk for three runs.

The Cats got one back on two walks in their half of the second. Thrapp started on the hill for Savages and was strong but wild giving up nine walks.

Cats Win In Ninth
Going into the last inning the Cats were down 5-3. Clemans opened the inning by striking out. Lee batted for Wilson and singled. Roseboro grounded out and with two away Iyall was sent to the plate to bat for McCullough. Iyall came through with a double to start a big rally. Sherwood singled, Wright walked sending in the winning run, and three more big runs came in when the Eastern centerfielder dropped Hiblar's long fly. Lannoye finished up the contest and set the last of the Eastern order down one, two, three.

String Quartet Shows In Concert

The Fine Arts Quartet from Seattle was presented in concert by Sigma Mu Epsilon, music honorary at Central, Thursday, May 5 in the college auditorium. This concert was the first of its kind to be presented locally for some time.

The members of the quartet were Marilyn Wright, first violinist, who is a charter member and concert mistress of the Youth Symphony Orchestra of the Pacific Northwest, Carl Spellman, second violinist, who is a graduate of the University of Washington and also a member of the Youth Symphony, Thomas Rodrique, violist, who is assistant conductor and principle violist of the Youth Symphony, and Nancy Heggie, cellist, who is a charter member and principal cellist of the Youth Symphony. Miss Heggie is a junior at Lincoln High school in Seattle.

Included in the program were Mozart's "Quartet No. 5 in Eb major", "Quartet in C minor," Opus 18, No. 4, by Beethoven, and "Quartet in D Major (The Lark), Opus 64, No. 5," by Haydn.

Mr. Herbert Bird, professor of music on the Central faculty, offered these comments on the performance of the quartet: "In spite of occasionally forcing the tone and some intonation difficulties, the quartet showed good teamwork.

"This organization fills a definite need in the musical life of any community. Small ensemble groups are a natural outlet for young musicians and more of this type of work should be encouraged," stated Mr. Bird.

Maskers, Jesters Admit Members; Plan Dance

Initiation of one member and seven understudies was undertaken at a recent meeting of the Maskers and Jesters, the campus drama organization, Gerhard Deickman, president has revealed.

Kay Sorenson, with her leading role in the winter quarter all-college play, "Joan of Lorraine", earned enough points to warrant her being chosen to become a full-fledged member of the organization.

Students who had compiled sufficient points to be selected as understudies in the group were Peggy Chestnut, Marilyn Dreher, Barbara Bennisen, Ramon Ross, Tom Knudsen, Stan Kibbey and Gene Parsons.

Points are amassed, Deickman pointed out, by work on any of the several dramatic productions during the year, either on the actual playing stage or on the production staff back stage.

A total of 25 points must be earned to join the organization in the role of an understudy. A full member is required to earn at least 40 points by the same varied means.

Plans are being formulated, Deickman added, for a dance to be held in late May, and another initiation also late in this quarter. Two one-act plays are in the process of being chosen and produced by the club members for presentation in the Little Theatre in a few weeks.

MOTHER'S WEEKEND TERMED BIG SUCCESS

Central's best attended Mother's Day weekend festivities came to a successful end last Saturday night when the 1948-49 officers installed the incoming officers who will serve during the 1949-50 term, according to Rosie Mithhofer, chairman.

At impressive ceremonies in the college auditorium, Mrs. Annette Hitchcock, dean of women, presented Mary Nelson, president of AWS, a pin which represented a year of service to AWS. In turn, Mary presented pins to the other outgoing officers.

At this same time, announcement was made of Edith Mains and Maxine Hart as winners of the two AWS scholarship awards and of the off-campus women's organization as winner of the AWS scholarship plaque. Patricia Platts, off-campus women's president, presented a scholarship in behalf of that group to Betty Lee.

Sue Lombard dining hall was filled to capacity for the Mother's Day banquet which preceded the evening program. At the tea and fashion show in the afternoon mothers and other guests expressed great satisfaction with the many beautiful clothes which girls of the economics club modeled.

Central's Mother's Day festivities received publicity throughout the Northwest Saturday afternoon when Mrs. Cain, mother of Evelyn Cain, and Mrs. W. D. Dunlap, mother of Phyllis and Jo Dunlap, participated in the Mr. XL 1000-Mile Quiz broadcast over KXLE in affiliation
